Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Monday, October 24, in the Department of Corrections' conference room, fourth floor, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of a proposed rule and regulation of the Kansas Department of Corrections.

This 30-day notice constitutes a public comment period for the purpose of receiving written public comments on the proposed regulation.

All interested parties may submit written comments prior to the hearing to Timothy G. Madden, Legal Counsel, Kansas Department of Corrections, 4th Floor, Landon State Office Building, 900 S.W. Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to present their views orally on the adoption of the proposed regulation. In order to give all parties an opportunity to express their views, it may be necessary to request each participant to limit oral presentation to five minutes.

The following is a brief summary of the proposed regulation:

44-6-146. This regulation is amended to provide that an inmate shall not be awarded good time credits if the inmate refuses to cooperate in the development of an acceptable release plan. The regulation is also amended to clarify that in the event an inmate fails to constructively participate in work or assigned programs, the inmate shall not be awarded good time credits.

This regulation is not anticipated to have significant economic impact on state agencies, state employees or other governmental units. It may have an impact on the operating costs of the Department of Corrections in that some inmates may have to serve more time incarcerated; however, the number and extent of this cannot be determined at this time.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Timothy G. Madden at (913) 296-4508 or fax at (913) 296-0014.

Copies of the proposed regulation and economic impact statement may be obtained by contacting Timothy G. Madden at the address given above, (913) 296-4508.

Kansas Arts Commission

Notice of Application Deadline
for Artists' Rosters

The Kansas Arts Commission is accepting applications from experienced and qualified companies, ensembles and groups and from individual artists interested in joining the rosters of artists eligible to participate in the Kansas Touring Program and Arts In Education Program for fiscal year 1996 (July 1, 1995 to June 30, 1996).

The Kansas Touring Program roster features classical, folk, and jazz musicians—including orchestras and smaller ensembles, soloists and vocalists—as well as dancers, storytellers and theatre companies for children and general audiences. The program encourages performing artists to tour in Kansas outside their home areas.

The Arts In Education Program develops programs and resources to provide children in Kansas public and private schools with arts experiences as an integral part of education and to provide access to education in the arts for all Kansas citizens, regardless of age.

The Arts In Education roster includes artists in all disciplines who are willing to serve as consultants in schools and other educational settings for extended periods, up to nine months. Roster artists are encouraged to seek potential sponsors and actively develop projects in collaboration with them.

Participants on either roster must be residents of Kansas at the time their applications are submitted and during the time they participate, or must be tax-exempt, not-for-profit arts organizations incorporated in Kansas. Eligible artists may apply to both rosters.

Artists' applications to join the rosters and all support materials must be received in the Kansas Arts Commission office no later than 5 p.m. Monday, October 3.

Applications and support materials are reviewed by advisory peer panels chaired by a commissioner. Performing applicants must include audio or video tapes

for the panels to use in preparing recommendations for action by the commission.

Artists and companies receiving favorable recommendations are appointed to the respective rosters for a three-year period. Thereafter, the performers are required to reapply and be reevaluated and reconsidered by the panel for a subsequent three-year appointment.

Artists on the rosters may be subject to reconsideration at any time within the three-year appointment period, should the panel find cause to decide the artist or company no longer meets commission guidelines, for such reasons as unsatisfactory performance or significant changes in personnel. Acceptance for the rosters is not a guarantee of employment.

For guidelines and application forms, contact the Kansas Arts Commission, Suite 1004, Jayhawk Tower, 700 S.W. Jackson, Topeka, (913) 296-3335. Persons with special communication needs may utilize the Kansas Relay Service, 1-800-766-3777.

Funding for the programs is provided through the National Endowment for the Arts, a federal agency, and appropriations from the 1994 Kansas Legislature.

Doc. No. 015396

State of Kansas

Department of Health
and EnvironmentNotice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at the KDHE open meeting at 9 a.m. Tuesday, October 25, in the auditorium of the Kansas Historical Society, 120 W. 10th, Topeka, to consider proposed changes in existing public water supply regulations K.A.R. 28-15-11, 28-15-13, 28-15-14, 28-15-15a and 28-15-16. These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and the economic impact follows:

The federal Safe Drinking Water Act (SDWA) establishes a national program to regulate the quality of public drinking water. This act requires the Environmental Protection Agency (EPA) to adopt national primary drinking water regulations to regulate the quality of public drinking water and to specify monitoring requirements to determine if those standards are met. The SDWA also provides for state implementation of the national primary drinking water standards (primacy). The KDHE has primacy for implementation of the national program to regulate Kansas public water suppliers.

This set of administrative regulations will update the Kansas public water supply program to comply with two sets of federal regulations establishing monitoring requirements and standards for several inorganic, volatile organic and synthetic organic chemicals. The federal sets of regulations are commonly known as the Phase II and Phase V rules.

In general, this rule impacts community water systems with their own source of supply and non-community water systems which serve 25 of the same people at least six months of the year. Community systems which purchase water from another public water supply, and non-community systems serving a transient population such as restaurants and roadside rest areas, are not directly impacted.

K.A.R. 28-15-11—Definitions. This regulation is amended to add four new definitions. There is no economic impact as a result of this amendment.

K.A.R. 28-15-13—Standards for bacteriological, chemical, physical and radiological quality. This regulation is amended to add drinking water standards or maximum contaminant levels (MCL's) for eight inorganic chemicals, 13 volatile organic chemicals and 26 synthetic organic chemicals. In addition, the MCL's for barium and selenium are increased and the MCL for chromium is lowered. The MCL for silver has been deleted. The economic impact of this regulation is determined by the number of water supplies which fail to comply with the MCL's, which will not be known until the initial monitoring is completed in December 1995. It is anticipated most of this impact will come from two parameters: nitrate and atrazine.

K.A.R. 28-15-14—Monitoring requirements for laboratory tests. This regulation establishes monitoring requirements for chemical contaminants listed in K.A.R. 28-15-13. Historically, samples collected to determine

compliance with these MCL's have been collected from random points on the distribution system. Random distribution system samples are not sufficient to determine the quality of water served to customers when several sources of water are pumped into the distribution system at different points. This regulation requires sampling at each entry point to the distribution system. This change will provide a more accurate indication of the quality of water in Kansas public water supplies.

The Chaffee-Lautenberg Amendment, passed by Congress in 1993, allows systems serving less than 3,300 persons to meet the volatile organic chemical and synthetic organic chemical requirements for the first three-year monitoring cycle, if any single sample collected before September 30, 1993, is analyzed and no contaminants are detected. The following monitoring costs are for the initial monitoring period and are consistent with the terms of the Chaffee-Lautenberg Amendment: asbestos—\$37,000; nitrate/nitrite—\$27,000; inorganic chemicals—\$227,000; volatile organic chemicals—\$173,000; synthetic organic chemicals—\$942,000; Total—\$1,406,000.

Program implementation costs are estimated at 1.0 FTE and a cost of \$44,000. These costs are paid from a dedicated fee fund.

K.A.R. 28-15-15a—Public notice requirements. This regulation was amended to add violations of the nitrite and combined nitrate/nitrite MCL's to the list of acute MCL violations. There is no economic impact from this change, since public notice is already required for nitrate violations.

K.A.R. 28-15-16—Permit requirements for public water supply systems. This regulation was amended to require re-submittal of an application for construction of a public water supply, if construction has not begun within two years of approval. The purpose of this change is to assure changes in regulations do not require modifications in the design. This change has the potential to save money by preventing construction of facilities which may not comply with regulations.

Copies of the regulations and the economic impact statement may be obtained from the Kansas Department of Health and Environment, Bureau of Water, Building 283, Forbes Field, Topeka 66620-0001, (913) 296-5514. Questions pertaining to these proposed rules should be directed to Darrel Plummer at (913) 296-5523.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to David F. Waldo, Chief of Public Water Supply Section, Bureau of Water, Kansas Department of Health and Environment, Building 283, Forbes Field, Topeka 66620-0001. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing

and may request the proposed regulations and fiscal impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sandy McAdam at (913) 296-6917.

Opinion No. 94-108

Cities and Municipalities—Ordinances of Cities; Initiative and Referendum Ordinances—Charter Ordinances; Term Limitations. Linda P. Jeffrey, Topeka City Attorney, Topeka, August 24, 1994.

K.S.A. 12-3013, the initiative and referendum statute, may not be used to submit a proposed charter ordinance to the electorate. Furthermore, an ordinary ordinance is not sufficient to amend a charter ordinance in light of Article 12, Section 5(c)(4) of the Kansas Constitution. Cited herein: K.S.A. 12-3013; Kan. Const., art. 12, § 5. MF

Opinion No. 94-109

Probate Code—Care and Treatment of Mentally Ill Persons—Sexually Violent Predator Act; Notice to Prosecutor; Application of Act to Juvenile Offenders; Disclosure of Documentation of Institutional Adjustment and Treatment. Donna Whiteman, Secretary, Kansas Department of Social and Rehabilitation Services, Topeka, August 25, 1994.

A juvenile offender does not meet the definition of a "sexually violent predator" and, therefore, the sexual predator act is not applicable to juvenile offenders.

The Department of Social and Rehabilitation Services (SRS) may disclose to the prosecuting attorney documentation of any treatment received at a state facility except for that involving the diagnosis and/or treatment of alcohol or drug abuse problems. These latter records may not be disclosed unless a court order is secured pursuant to the requisites of 42 C.F.R. §§ 2.61 *et seq.*

While disclosure of treatment may be required, this does not give a license to treatment personnel to confiscate a patient's personal effects in order to build a case for civil commitment under the sexual predator act.

The 5th Amendment's prohibition against self-incrimination does not apply to information and communication elicited during treatment. Therefore, SRS is not required to give Miranda-type warnings to patients during the course of their treatment.

Individuals who are confined under the sexual predator act have the right to conditions of reasonable care and safety and reasonably nonrestrictive confinement conditions depending upon the circumstances of each individual case. However, they must be kept in a secure facility so that they pose no danger to each other or to the public. Elections—Official Ballots—Arrangement of Names of Candidates Upon Ballot; Blank Spaces For Write-In; Use of Stickers. Representative Ellen B. Samuelson, 74th District, Newton, August 30, 1994.

The legislature has recognized various technologies which may be used in counting and tabulating votes cast by electors. The ability to use stickers for the purpose of casting a vote for a write-in candidate and the form such stickers must take is dependent in part on the type of technology used in counting and tabulating votes. If the voter's intent can be derived from the ballot despite the fact the ballot does not contain a mark in the square to the left of the write-in candidate's name, the ballot should be counted. Elections—Sufficiency of Petitions—Petition Documents; Contents; Form of Question. William E. Kennedy III, Riley County Attorney, Manhattan, September 9, 1994.

The question set forth in a petition seeking to bring an issue before the electorate must be in the form of a question as it should appear upon the ballot in accordance with the requirements of K.S.A. 25-620, unless otherwise specifically provided. The question set forth in the petition must be preceded by the phrase, "Shall the following be adopted." Cited herein: K.S.A. 25-601; 25-605a; 25-620; 25-3601; 25-3602; L. 1992, ch. 194, §3. RDS

Opinion No. 94-119

Cities and Municipalities—City-Manager Plan; General Provisions—Cities of the First Class; Board of Commissioners; Initiative and Referendum Ordinance; Term Limitations. Gerald L. Cooley, Lawrence City Attorney, September 12, 1994.

The petition submitted to the city of Lawrence and setting forth a proposed ordinance establishing term limitations does not fulfill the requirements of K.S.A. 25-3602 and is, therefore, invalid because it does not state the question which the petitioners seek to bring to an election.

The proposed ordinance establishing term limitations contains both legislative and administrative provisions and, therefore, is not a proper subject of an initiative petition and may not be submitted to a referendum. The severability clause is ineffective to sever the administrative provision from the legislative provision.

A proposed ordinance which establishes term limitations will not affect a Lawrence city ordinance establishing terms of office because a term limitation acts as a qualification for running for office. Cited herein: K.S.A. 12-1001; 12-1006; 12-1017; 12-3013; 13-1501; 25-620; 25-3602. MF

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 1995.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on October 1, 2005, and thereafter will be subject to redemption and payment prior to maturity on October 1, 2004, and thereafter in whole on any date or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at a redemption price of 102 percent of the principal amount redeemed, plus accrued interest to the date of redemption.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of the face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States certified mail to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 45 days prior to the redemption date. Thereafter, the paying agent and bond registrar will notify the owners of the bonds of the city's redemption call by United States mail, postage prepaid. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. No interest rate shall exceed the index of treasury bonds published by *The Bond Buyer* in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Security for the Bonds

The bonds will be general obligations of the city payable as to both principal and interest from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of

(continued)

certain corporations in the calculation of alternative minimum taxable income, with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for an environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on such obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Interest on the bonds may also be excludable from the computation of Kansas adjusted gross income.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about October 19, 1994, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the bidder's expense. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 3 p.m. C.D.T. on October 13, 1994. In the absence of such information, the city will deliver bonds in the

denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 3 p.m. C.D.T. on October 13, 1994, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$4,000, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the city, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city, and the city reserves the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at City Hall and must be received by the undersigned prior to 7 p.m. C.D.T. on Tuesday, October 4, 1994.

Date and Delivery of Preliminary and Final Official Statement

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the purchaser and the price or yield at which the purchaser will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the city will provide without cost to the purchaser a reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the purchaser's expense. If the sale of the bonds are awarded to a syndicate, the city will designate the senior managing purchaser of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating purchaser. Any purchaser executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating purchasers for the purpose of assuring the receipt and distribution by each such participating purchaser of the final official statement.

The city will deliver to the purchaser on the date of delivery of the bonds a certificate executed by the mayor and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, Chapman Securities, Inc., Wichita, Kansas (1-800-776-3780).

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1994 is \$487,039. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$209,000. In accordance with the financial advisor's agreement with the city, the financial advisor will not be submitting a bid or participating in a group submitting a bid for the purchase of the bonds.

(e) The holder of the ticket need not be present to win at the time of the "Heartland Park Sears Craftsman Drawings."

111-4-615. Cancellation of race/drawing. (a) If any "Heartland Park Sears Craftsman Drawing" is not held due to the Heartland Park race being cancelled because of rain out, power failure or any other unforeseen circumstance beyond the control of the Kansas lottery and Heartland Park after entries have been placed in the receptacle(s) or drum(s), it will be rescheduled. Any rescheduled drawing will be held as soon as practicable and at a location and time determined by the executive director or the person designated by the executive director and the minimum prizes identified in K.A.R. 111-4-609 will be awarded for each prize class which is rescheduled.

(b) Lottery security personnel or designated security personnel will, upon cancellation of any "Heartland Park Sears Craftsman Drawing" which is rescheduled, take possession of and secure the receptacle(s) or drum(s) containing all entries for the cancelled "Heartland Park Sears Craftsman Drawing" and hold all ticket entries contained therein until the rescheduled drawing.

(c) The winner of a rescheduled "Heartland Park Sears Craftsman Drawing" need not be present at the time of that drawing to be determined a winner.

(d) If a Heartland Park race is cancelled before the gates are open to the public, no entries will be allowed, and the "Heartland Park Sears Craftsman Drawings" will also be cancelled. If a "Heartland Park Sears Craftsman Drawing" is cancelled under (d), it will not be rescheduled. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-8-26-94, Aug. 19, 1994.)

RULES FOR INSTANT GAME NO. 80 "DOUBLE CASH"

111-4-616. Name of game. The Kansas lottery shall conduct an instant winner lottery game entitled "Double Cash" commencing on or after September 8, 1994. The specific rules for the "Double Cash" game are contained in K.A.R. 111-3-1 *et seq.* and 111-4-616 through 111-4-619. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-8-26-94, Aug. 19, 1994.)

111-4-617. Definitions. The following definitions shall apply to the "Double Cash" instant lottery game:

(a) "Game symbols" are the numbers, letters, symbols, or pictures printed in the play area of each instant game ticket and which determined if the ticket bearer is entitled to a prize. In this instant game, the game symbols are printed in black ink in WGI Symbol Font 15 with matching captions in WGI Cap Font. A game symbol appears in each of six play spots within the play area. Each game symbol for this instant game is one of the following: \$1.⁰⁰ - \$5.⁰⁰ - 10.⁰⁰ - 20.⁰⁰ - \$2500 - \$5000 - \$\$.

(b) "Game symbol captions" are the words or portions of words, letters or numbers printed beneath each game symbol in the play area and are used to repeat or explain the game symbol. The game symbol caption associated with each game symbol is as follows:

(continued)

Game Symbol	Game Symbol Caption
\$1.00	ONE\$
\$5.00	FIVE\$
10.00	TEN\$
20.00	TWENTY
\$2500	25-HUN
\$5000	FIVETHOU
\$ \$	DOUBLER

(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is a 10-digit number which appears below the game symbols under the removable covering in the play area on the front of each instant ticket.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number is printed in black ink on the front of each instant game ticket.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a two-letter code printed and appearing in two of six varying locations among the game symbols. The codes and their meanings are as follows: CC = \$1.00; DD = \$2.00; KK = \$5.00; BB = \$10.00; NN = \$20.00. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-8-26-94, Aug. 19, 1994.)

111-4-618. Determination of instant prize winners. An instant prize winner is determined for this instant game when the player removes or "scratches off" the removable layer of material covering the play area to reveal the six game symbols and captions. This is a match three (3) of six (6) game which includes a doubler. If three (3) of the six (6) concealed prize amounts match, the player wins the amount shown. If two (2) of the six (6) concealed prize amounts match and a doubler symbol is found, the player wins double the prize amount. No ticket will be eligible to win more than one prize. Prizes a player may win are as follows:

Get	Win
3 - \$ 1.00	One Dollar
2 - \$ 1.00 + Doubler	Two Dollars
3 - \$ 5.00	Five Dollars
2 - \$ 5.00 + Doubler	Ten Dollars
3 - \$ 10.00	Ten Dollars
3 - \$ 20.00	Twenty Dollars
2 - \$ 20.00 + Doubler	Forty Dollars
3 - \$2500.00	Two Thousand Five Hundred Dollars
2 - \$2500.00 + Doubler	Five Thousand Dollars
3 - \$5000.00	Five Thousand Dollars

(Authorized by K.S.A. 74-8710(b), (c) and (i); implementing K.S.A. 74-8710(b), (c) and (i) and 74-8720(b) and (d); effective, T-111-8-26-94, Aug. 19, 1994.)

111-4-619. Number and value of instant prizes. (a) There will be approximately 2,100,000 tickets ordered for this instant game. The expected number and value of the instant prizes are as follows:

Prizes	Expected Number of Prizes in Game	Expected Value in Game
3 - \$1's	182,000	\$ 182,000

	<u>400,757</u>	<u>\$1,217,500</u>

(b) The executive director may terminate the sale of tickets prior to the complete sale of all tickets. In this event, the number and value of prizes will be approximately proportional to the number of tickets actually sold.

(c) All prizes are subject to deductions provided by law. (Authorized by K.S.A. 74-8710(b), (c) and (f); implementing K.S.A. 74-8710(b), (c) and (f); and 74-8720; effective, T-111-8-26-94, Aug. 19, 1994.)

Article 5.—KANSAS LOTTO AMERICA GAME RULES

111-5-22. Name of the game; rules and regulations. The Kansas lottery shall conduct a lotto game entitled "Powerball" conducted twice weekly on Wednesdays and Saturdays beginning April 19, 1992 at 6:00 a.m.

The rules and regulations for "Powerball" game are contained in K.A.R. 111-5-22 through 111-5-34a, and applicable generic rules are contained in K.A.R. 111-6-1 *et seq.* (Authorized by and implementing K.S.A. 74-8710; effective, T-111-3-5-92, Feb. 21, 1992; amended, T-111-3-24-92, March 20, 1992; amended, T-111-8-26-94, Aug. 19, 1994.)

111-5-34a. Powerball doubler promotion. (a) The "Powerball Doubler Promotion" is a limited extension of the "Powerball" game and is conducted in accordance with the Powerball game rules and applicable on-line generic rules contained in K.A.R. 111-6-1 *et seq.* The promotion will begin with the third drawing after the August 31, 1994, drawing which follows a jackpot win, and will continue for a total of eight drawings. The promotion will offer to the owners of a qualifying play a chance to double the amount of any cash set prize won in a drawing held during the promotion.

(b) A qualifying play is any ticket which contains at least five plays at a total cost of \$5 for a single drawing held during the eight-drawing promotion.

(c) A qualifying play which wins one of the eight cash set prizes (paying \$1 through \$100,000) will pay double if, in a separate random drawing announced during the live "Powerball" drawing, the "Double Prize" chance is selected.

(d) MUSL will conduct an additional random "Double Prize" drawing and announce results during each of the regular "Powerball" drawings held during the promotion. The "Double Prize" drawings will be designed to guarantee that, at least once during the promotion, the set prizes will be doubled. The probability of the set prizes being doubled during each drawing of the pro-

motion will never be greater than one in eight. On the first drawing of the promotion, the probability of the set prizes being doubled will be one in eight. If the prizes are not doubled during the first drawing, then on the second drawing of the promotion, the probability of the set prizes being doubled will be one in seven. The probability of the set prizes being doubled will be reduced for each drawing during the promotion until the "Double Prize" chance is selected. Once the "Double Prize" chance is selected, the drawing process will start over with the probability of the "Double Prize" chance being selected at one in eight. The probability of the "Double Prize" chance being selected during the promotion is as follows:

Set prizes doubled at least once:	1:	1.0000
Set prizes doubled one time:	1:	1.7778
Set prizes doubled two times:	1:	3.0476
Set prizes doubled three times:	1:	10.8360
Set prizes doubled four times:	1:	65.0159
Set prizes doubled five times:	1:	624.1524
Set prizes doubled six times:	1:	9,709.0370
Set prizes doubled seven times:	1:	266,305.0159
Set prizes doubled eight times:	1:	16,777,216.0000

(e) The payment of double prizes shall be made from the MUSL "Set Prize Reserve Account." If the total of the regular set prizes and the doubled set prizes awarded in a drawing exceeds the percentage of the prize pool allocated to the set prizes, plus the doubled amounts, then the amount needed to fund the set prizes, including the doubled prizes, awarded shall be drawn from the following sources, in the following order: (i) the amount allocated to the set prizes and carried forward from previous draws, if any; (ii) an amount from the "Set Prize Reserve Account," if available in the account, not to exceed twenty million dollars (\$20,000,000) per drawing for all MUSL members. If, after these sources are depleted, there are not sufficient funds to pay the set prizes awarded, including the doubled prizes, then the highest set prize, including the doubled prize, shall become a parimutuel prize. If the amount of the highest set prize, when paid on a parimutuel basis, drops to or below the next highest set prize and there are still not sufficient funds to pay the remaining set prizes awarded, then the next highest set prize shall become a parimutuel prize. This procedure shall continue down through all set prizes levels, if necessary, until all set prize levels become parimutuel prize levels. In that instance, the money available from the funding sources listed in this rule shall be divided among the winning plans in proportion to their respective prize percentages. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-8-26-94, Aug. 19, 1994.)
